A NEW BRAND

1 Hotels is the hotel Barry Sternlicht always wanted to build. A recognized visionary and entrepreneur who created W Hotels and launched St. Regis as a global brand, Mr. Sternlicht enjoys a keen sense of design and environmental conscience. "I've been waiting for just the has finally aligned with the technology that can help us preserve and enjoy it."

1 Hotels is foremost about celebrating nature. On quick glance, the graceful twist of driftwood furnishings, the ever-present sounds of the ocean, and the overabundance of plants and flowers symbolizing renewal are calming to the senses and the soul. This is the purpose of 1—experiences and design that encourage guests to stop and recalibrate. Come to 1 and feel a drop in your blood pressure, a smile in your step, and relax and enjoy real time with your family and friends.

To the fast-paced, often intense Sternlicht, 1 embodies the refuge he always sought. And now he is delighted to be able to share it with you. Welcome to 1 Hotel & Homes South Beach.
