BERNARDO FORT-BRESCIA

A WORLD APART RISES OVER BISKEYNE BAY

One Paraiso offers a private enclave of luxury contemporary residences where breathtaking views over Biscayne Bay define a style of living that embraces both elegance and natural beauty. To bring this exquisite property to life, The Related Group has called on an internationally renowned team of designers: Bernardo Fort-Brescia of Arquitectonica to design the elegant glass tower and beautifully proportioned floors plans; Piero Lissoni to design and furnish the generous interior public spaces; and, Enzo Enea to artfully create the luscious gardens and waterfront promenades. Together, these masters of contemporary design have created a world of exquisite beauty and serene spaces.

JORGE M. PÉREZ

Founded in 1979 by Jorge M. Pérez, The Related Group is the nation's leading developer of multi-family residences. Under Mr. Pérez's direction, The Related Group and its affiliates have redefined the South Florida landscape. Since its inception, the company has developed and/or managed more than 80,000 apartments and condominium residences. The Related Group's developments are often distinguished by groundbreaking partnerships with world-renowned architects, designers, and artists, resulting in residential properties that are recognized as urban landmarks. Its many distinctive condominium properties in South Florida include Icon Brickell, 500 Brickell, The Plaza, MyBrickell, One Miami, and 50 Biscayne in the Brickell Downtown area. In South Beach, Related transformed the area now known as "South of Fifth" into its most exclusive neighborhood with luxury highrises such as Portofino Tower, Murano at Portofino, Murano Grande, Icon South Beach and Apogee. In the northeast areas of Miami-Dade and Broward Counties, other Related projects include Ocean One, Two, Three and Four, Trump Towers, BeachClub, Aquazul, Trump Hollywood and Apogee Beach. Properties currently in development include Millecento, SLS Hotel & Residences, SLS Lux, Brickell Heights, Iconbay, Paraiso Bay, Baitus, Beachwalk and Hyde Beach.

“LANDSCAPE ARCHITECTURE IS A WORK THAT HAS TO COME FROM THE INSIDE... IT'S A PASSION FOR LIFE.”

ENZO ENEA

Over the course of his career, award-winning landscape architect Enzo Enea has designed more than 800 gardens – from the project draft to the realization of the tiniest of details. The strength and philosophy of the firm is in the overall execution and implementation of challenging projects, which range from the planning and construction phase to the provision of irrigation systems, garden furniture, lighting design and installation. Enea's style, intuition and diligence explain the success of his company, Enea GmbH, one of the leading landscape architecture firms in Switzerland and in the world. The firm is widely recognized for the design and construction of private gardens and terraces, restaurants, hotel and resort environments, corporate gardens, public parks, and golf courses.

PABLO ATCHUGARRY

Born in Montevideo, Uruguay from parents of French Basque and Italian origin, Pablo Atchugarry is an internationally renowned sculptor whose works have been exhibited in more than eighty solo and collective exhibitions worldwide. After experimenting with a variety of materials early in his career, Atchugarry adopted marble as his primary medium, variously using Italian Carrara, rose-colored marble from Portugal and occasionally black marble from Belgium. Abstract and numinous, massive and delicately carved, his sculptures are reflections on the intervention of the spiritual in everyday life. Widely traveled, Atchugarry has taken inspiration from a variety of artists and traditions, including 20th century Latin American art, the Constructivist tradition founded by Joaquín Torres García, the Muralist school in Mexico, and modernists Constantin Brancusi and Henry Moore.

ADRIENNE ARSHT CENTER

Designed by Cesar Pelli, the Adrienne Arsht Center for the Performing Arts is the largest performing arts center built in the United States in the last three decades. It hosts jazz, theater, opera, children's shows, comedy, and contemporary dance, and is home to the magnificent List Art Collection.

WYNWOOD ART DISTRICT

The Wynwood Art District, home to over 70 galleries, cafes, bars, and fashion boutiques, is an ideal destination for taking in some of Miami's most provocative art and fashion. Visitors from around the world come to see its infamous open-air street-art installations and elaborate graffiti.

BRICKELL & DOWNTOWN MIAMI

The cultural, financial, and commercial center of South Florida, Brickell and Downtown Miami is home to the city's top museums and parks, including Bicentennial Park and Museum Park. The fastest growing area of Miami, it is also the location of major corporate headquarters, a large concentration of financial institutions, and many foreign consulates.

DESIGN DISTRICT

Founded by visionary entrepreneur Craig Robins in the late 1990s, the Miami Design District has become an internationally renowned destination for art, design, and culture. This once overlooked neighborhood was transformed under the guidance of award-winning master planners Duany Plater-Zyberk and architects including Walter Chatham, Hariri and Hariri, Juan Lezcano, Terence Reilly, and Alison Spear.

The Design District streets now offer an eclectic array of highend design stores, fashion boutiques, and art galleries. In addition, every second Saturday of the month, galleries and showrooms open their doors to the public during evening hours for Art & Design Night. Even more excitement is coming soon with construction now underway that will further transform the Miami Design District.

Beginning in the fall 2014, luxury fashion brands such as Givenchy and Miu Miu will join other highend designers that are already there, including Hermès, Louis Vuitton, Prada, and Emilio Pucci. There will also be new buildings by renowned architects Sou Fujimoto, Aranda/Lasch, K/R, Iwamoto Scott, and Leong Leong as well as new art installations by John Baldessari and the Buckminster Fuller Institute.

BRICKELL CITY CENTRE

Brickell City Centre is a \$1.05 billion mixed-use development, strategically located in the center of the Brickell financial district. Currently under development, Brickell City Centre will bring a 5 million square foot lifestyle and entertainment destination filled with luxury boutiques, casual and fine dining, premier hotel accommodations and residences.

PEREZ ART MUSEUM

The new Pérez Art Museum Miami (PAMM), located in Museum Park, and designed by Pritzker Prize-winning architects Herzog & de Meuron, is a cutting edge landmark with transparent walls, innovative landscaping, and a wraparound "front porch." Its collection features 20th and 21st century international art.

AMERICAN AIRLINES ARENA

Located on the Biscayne Bay waterfront and designed by Arquitectonica and 360 Architecture, the American Airlines Arena is among the top sports and entertainment venues in the United States. The home of the NBA's Miami Heat, it also features internationally renowned musicians and performers all year round.

BESPOKE INTERIORS

Designed by Piero Lissoni, One Paraiso's elegant double height lobby frames the breathtaking views of Biscayne Bay in a sumptuously appointed setting to welcome residents and guests upon arrival to a new definition of luxury.

CURATED ART COLLECTION

Original works of art and sculpture curated and commissioned by the developer will elevate the tone of interior amenity spaces and will bring cultural dimension to the surrounding gardens at One Paraiso. This private collection is a celebration of South Florida's reputation as one of the most important destinations on the world stage for collectors and admirers of fine contemporary art.

An aerial photograph of a tropical island at night. The island is illuminated with numerous small lights, which create bright, multi-pointed starburst reflections on the dark blue water. The lights are concentrated in the central and lower-right portions of the island, with some scattered lights along the coastlines. The overall scene is serene and visually striking due to the interplay of light and water.
