An architectural rendering of the Elysee Miami hotel entrance at dusk. The building features a modern design with a large, cantilevered canopy over the entrance, illuminated from within. The facade is composed of white panels with a circular perforated pattern, interspersed with vertical green walls. A wide set of stairs with a geometric tile pattern leads to the entrance. To the right, a black Bentley Continental is parked on a checkered driveway. The landscaping includes manicured trees, a hedge, and a large black vase. The sky is a deep blue, and the overall atmosphere is one of luxury and elegance.
